

## Sign-up: Host the Cup of Blessing In Your Home

To encourage family/household prayer we are introducing **The Cup of Blessing Program** at the National Shrine of the Little Flower. It will be easy to participate in the program. Each week a registered family/household will accept the responsibility to pray for Vocations, by accepting the **Cup of Blessing** and placing it in a prominent place of honor in their home, preferably as a **Centerpiece** on the kitchen table, where it can be seen all week, particularly at meal times.

Each household/family will be provided with suitable Prayers for Vocations, which they can pray before meals. Members of the household may also wish to spend some time talking about vocations, about the need for spiritual leaders in the Church, about ways they can affirm our priests and religious in their vocations, and other related topics. A Journal in which household members can record any thoughts and/or prayers they wish to pass on will accompany the **Cup of Blessing**.

The **Cup of Blessing** will circulate "each week" to a new HOST FAMILY/HOUSEHOLD within the context of the Sunday, 9 am mass, with the hope that the practice of family/household prayer will spread throughout the parish. This program is a true response to Christ's call,

***"Pray to the Lord of the Harvest that there be laborers for the vineyard."***
